Full-time

Barrie, ON, CANADA

We are Ontario's largest independent non-integrated corrugated packaging plant. We are looking for that special someone that wants to put their special creative touch on our designs! Our award winning group of designers supports our Sales team putting the wow factor on all of our innovative products. And we need you.

What You'll Do.

- Provide conceptual graphic designs that satisfy customer requirements and manufacturing capability
- Recreate art files from supplied samples, drawings and files and create 3D renderings
- Responsible for producing mock up samples
- Provide professional technical support to the various departments

Your Qualifications.

- Diploma in Packaging Design, Graphic Design or equivalent
- Understand the physical properties of corrugated paper and their application in the design and manufacturing of packaging and POP displays
- Minimum 2 years related work experience
- Previous manufacturing and/or packaging experience an asset

Skills We're Looking For.

- Project management skills, desire to take responsibility for a project and see it through to completion
- Ability to coordinate a high level of activity within a variety of conditions and constraints
- Outstanding verbal, written and presentation skills with strong ability to multi-task
- Detail oriented, organized, able to provide accurate information and work both independently as well as in a team environment
- High degree of proficiency in the use of various computer applications, including Microsoft Office, Illustrator, Photoshop, Artios, and Flute
- Understanding of corrugated, flexo and lithographic printing
